

EFLM-HyTest Cardiac Marker Award for remarkable scientific work in the field of cardiovascular diseases

The EFLM-HyTest Cardiac Marker Award is granted to a young scientist for remarkable scientific work in the field of cardiovascular diseases. EFLM is very pleased to have partnered with HyTest on this award, through which we intend to achieve wider recognition of the importance of high quality research in the field of cardiac markers among laboratory professionals in Europe.

Eligibility criteria:

The applicant must fulfill the following criteria:

- Age under 40 years;
- Member of an EFLM member country;
- Study accepted for peer-reviewed publication by the submission deadline in which the nominee must be first author

Award timing:

The EFLM-HyTest Cardiac Marker Award is awarded biannually. This year, the award will be presented at the 22nd IFCC-EFLM European Congress of Clinical Chemistry and Laboratory Medicine (EuroMedLab 2017) to be held in Athens (GR) from 11 to 15 June 2017.

Award details:

The selected scientist will receive an award of € 5000 and the costs for attending the EuroMedLab Congress (economy class travel, reasonable accommodation and the congress registration fee).

Submission details:

The applicants should send the reprint of their article or a copy of the editor's letter indicating final acceptance for publication to the EFLM office at eflm@eflm.eu. Articles must have been published or accepted for publication between 1 January 2016 and 20 April 2017. Entries must be published in English in a peer-reviewed scientific journal. Applicants should also send a statement signed by all authors of the publication consenting to submission of the paper for the Award and to the conditions of entry. Submissions will be judged by an independent panel of experts. The nominee must be the first author and a member of an EFLM member society. The Award will be presented to the first author, who is responsible for division of the award among his/her co-authors.

- *Applications deadline:* April 20, 2017
- *Winner will be notified:* April 30, 2017

For further information on the submission process please contact the Chair of the EFLM Science Committee, Prof. Eric Kilpatrick at eflm@eflm.com.

About EFLM

European Federation of Clinical Chemistry and Laboratory Medicine – EFLM goals are to promote and improve science and education within the field of clinical chemistry and laboratory medicine, to improve patient outcomes and the quality and safety of patient care through the highest standards of laboratory medicine. The mission of the EFLM is to create academic, clinical and industrial links of communication for clinical laboratory scientists and physicians through highly qualified professional meetings which the EFLM may support in a variety of ways.
